MEMORY OF DEAD

Fraternal Organizations Have Ceremonies at Chippian-nock Cemetery.

MAYOR M'CASKRIN SPEAKS

Modern Woodmen of America and Royal Neighbors of America Memorial Association Observe Day.

The Modern Woodmen of America and the Royal Neighbors of America Memorial association held their ceremonies in Chippian-nock cemetery Sunday afternoon. Hon. George W. McCaskrin was the principal speaker of the day, his address being in part as follows:

I know of no better time than now to look upon the side of life that marks its frailty.

The little plant that I hold in my hand is like in kind to that of the mighty tree that towers above us, and yet the life of the tree is extremely short.

The little vine is weaker still and ends with the summer to mingle again its beauty with the dust.

The little blade of grass withers ere the setting sun.

These all are strong as compared with the shell of the locust that I hold here, a frail bark wafted about by a breath of air. There is the opening between the wings where the living insect that you now hear made its escape, leaving nothing to mark the transformation save this transparent shell which will soon be blotted out by the fury of the elements.

So it is with our lives today, we, you and I, live and are strong. Tomorrow the human form is but a figure of pallid clay.

Bids Us Hesitate.

This reality, this condition, this solemn truth bids us hesitate here, this beautiful, splendid hour to again renew the tender chords of friendship and faith and love of the dead patriots of woodcraft, and their kindred order the Royal Neighbors of America that have fallen on the battlefield of life.

There is no language, there are no words, not a human voice, not even the harmonious music can recall the real true life of the loved ones as they were then, living, breathing, laughing and smiling as of yore.

But we can this beautiful afternoon pause and reflect, to remember the good deeds and the kind acts of our departed neighbors. Reflect, to justify our fears that when our time shall come to answer to the roll-call we will rest secure in sublime confidence that we will not be forgotten.

Oh, the pain, the sorrow, the anguish, the doubts and the fears of humanity and then to be forgotten, could but mean persecution to all mankind. But we know such is not the case; we will be remembered, we will not be forgotten, but every act and every deed of a brother or sister will be recorded on the tablet of time that we, you and I, have done our full duty toward our neighbor.

Will Aid Fraternities.

With this benediction, the memorial day of these two societies will grow and become greater and more divine as the years roll by and as time and energy increases in numbers and in strength these splendid fraternities. So that when this generation shall have passed and gone, the generations yet to come will learn of the honored members whose hair has grown gray in the life's work to make these societies the greatest of all other fraternal insurance societies.

I am proud of the hour, I am proud of those splendid men and women and shall stand shoulder to shoulder in the ranks of countless thousands hailing to victory and success these great leaders of aristocracy and caste.

It is these societies I predict in no far distant time that will be the medium that will preserve liberty of life and of the home of our country.

In conclusion let me say no greater act, no greater service can be performed to commemorate the dead than to scatter roses among the living as a message to the dead.

COMMITTEE NOW AT WORK

Investigating Question of Drainage for Southwest.

The committee of the city council composed of Aldermen Blochinger, Wilson and Trenkenschuh, on the storm drain for the southwest part of town, is working hard for the accomplishment of this undertaking, which promises to do much for this new and rapidly growing section of the city, and it is the hope that the preliminaries will be completed so that if it is not undertaken this year, it will be started early the succeeding year at least.

That the need of such a drain is felt by the people who would be served through it, is admitted by all familiar with the situation, and it is believed the committee's efforts will be attended with success, as they should.

Ten Times Easier.

It is ten times easier to cure coughs, croup, whooping cough and all lung and bronchial affections when the bowels are open. Kennedy's Laxative Honey and Tar is the original laxative cough syrup. Gently moves the bowels, and expels all cold from the system. Best for coughs, colds, croup, whooping cough, etc. Remember the name, "Kennedy's," and see that the red clover blossom and the honey bee is on the bottle. Sold by all druggists.

TROUBLE STARTS AT BALL PARK

Free-for-All Gets Good Start in Davenport Sunday Afternoon—Rock Islanders Involved.

One of the results of the newly inaugurated system of reserving seats in the Davenport base ball park was something that resembled a free-for-all fight just before the game started. Two young men from Rock Island had bought seats and found them already occupied and after changing about some they went back and demanded their money. About the time they were making this demand a policeman came along and ordered them out of the park. The young man resisted and a fight followed, in which both went to the ground. The policeman got a kick in the face and had his cane broken. Kid Mac, who was selling fans butted in with some noise and the other fellow took a smash at him, handing him enough to hold him for a while. The result of the whole was that the young men who were involved in the trouble were ejected from the grounds.

CHARLES OLSON, OF MOLINE, IS KILLED

Attempts to Cross Burlington Tracks While Intoxicated and Freight Strikes Him.

Charles Olson, a furniture rubber at the Moline furniture factory, was struck by an east bound freight engine while crossing the tracks of the Burlington road between Second and Third streets in that city last evening and sustained injuries that caused his death two hours later at the hospital.

Olson had been drinking during the day and it is supposed that he was intoxicated. The coroner's verdict did not attach any blame to the company Olson, who was 51 years of age is supposed to have a family at Rockford from which city he came to Moline four years ago.

PERSONAL POINTS.

Mrs. H. S. Cable of Cedar Rapids is visiting in the city.

Ex-senator W. F. Crawford, of Edgington, has gone to Cincinnati, Ohio, and rumor has it that his mission is a particularly pleasing one.

Ike L. Rice left yesterday for Richmond, Va., to be present at the marriage of his sister, Miss Jane Rice, formerly of this city, to Aaron Kuhn of Louisville, Ky. The ceremony will take place June 12.

Bishop M. Edward Fawcett of the Episcopal Diocese of Quincy arrived in the city Saturday evening and returned home this afternoon. He was a guest at the home of Dr. J. R. Holloway while here. Dr. Percival of Peoria who also arrived Saturday, was entertained by Dr. Sherwood at Trinity rectory.

L. E. Sheppard, grand junior conductor of the Order of Railway Conductors, with headquarters at Cedar Rapids, was in the city today, and attended a meeting of the local lodge of the order. His visit here was for the purpose of giving instruction in certain of the ceremonies of the order. He departed for Savanna.

SOCIAL AFFAIRS.

The O. E. S. Sewing circle will meet with Mrs. B. J. Kennedy, on Seventeenth street, South Heights, at 2 o'clock tomorrow afternoon. The election of officers takes place at this meeting.

Given a Surprise.

Bonnie Dubinsky was hostess at a surprise party yesterday afternoon at the home, 509 Ninth street. Several pleasant hours were spent with games, music and refreshments. Those who participated in the musical numbers were the Misses Gertrude Finkelstein, Eva Case, Mary Brady, May Tennenhorn, Celia Taxman, and Esther and Henrietta Horbitt.

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by all leading druggists.

The Salve That Penetrates.

DeWitt's Witch Hazel Salve penetrates the pores of the skin, and by its antiseptic, rubeficient and healing influence it subdues inflammation and cures boils, burns, cuts, eczema, tetter, ring worm and all skin diseases. A specific for blind, bleeding, itching and protruding piles. The original and genuine Witch Hazel Salve is made by E. C. DeWitt & Co., and sold by all druggists.

LIGHT IN ALLEYS

Mayor McCaskrin Will Make Suggestion to Council Regarding it.

SUBMITS SCHNELL'S REPLY

Executive Will Not Discuss It Before It Has Been Passed Upon by That Body—Bluff Improvement.

"At the meeting of the city council this evening I will bring to the attention of the council the necessity of lights in the alleys of the business district," said Mayor McCaskrin this morning. "I have recently been taking notice of the situation and have come to the conclusion that they are almost a necessity for the best service of the police. Some nights, and in some places every night, the alleys are so dark that a man might be a few feet away and not be seen."

The mayor suggests that there ought to be at least one 32-candle power light in each alley, and believed they would be of great assistance in such cases as the operations that were conducted in and about the Sommers & LaVelle store.

Schnell's Reply.

The reply of Matthias Schnell to Mayor McCaskrin with reference to the acceptance of the conditions of his notice to place the storm drain in the condition according to the specifications and contract will be submitted to the council by the mayor at this session. He has declined to say anything further on the subject himself, but will allow the council to pass upon it.

Improvement Association.

The Bluff Improvement association will also be before the council by representatives in the form of a committee. It is probable that Joseph L. Haas, who has been special counsel in the case of the Fourteenth avenue paving, will be before the council at the request of this association for the purpose of explaining the situation with reference to this improvement.

COURT IN SHORT SESSION

Judge Graves Grants Decree of Divorce to Elsie Von Mohr.

The only business in the circuit court today was the granting of a divorce to Elsie Von Mohr of Rock Island and from her husband, Albert Von Mohr. The defendant was charged with desertion and also with adultery. The court held that the evidence of desertion was insufficient but granted the divorce on the charge of adultery.

Court convened at 1:30 p. m., and adjourned at 2:30 until Tuesday morning at 9 o'clock. The Gaylord case was not taken up today on account of the enforced absence of one of the attorneys, but will be continued tomorrow.

CAN COMPANY STRIKE END

Strikers Decide to Let Matters Stand as They Were Before

The Can company strike in Davenport was called off Saturday evening by an almost unanimous vote of the union. The strikers are to be reinstated, with the exception of three men, and it is understood that the men are protected from a decrease in wages. The men have no hard feelings, but think that it is better to have the factory in operation than to be shut out entirely. The former scale of wages will be maintained.

Field Day at Villa de Chantal.

The field day exercises will be held on the beautiful grounds at Villa de Chantal Thursday of this week. There will be flag and military drills, patriotic songs, a game of basketball, and other interesting numbers. Peterson's band will give selections during the afternoon. Refreshments will be served at booths in various parts of the grounds. No cards of invitation will be sent out, but all who desire to witness the exercises are cordially invited to be present. The hours of the exercises are from 3 to 7 in the afternoon.

Advertised List No. 23.
